Dear Delegate,

I am delighted to welcome you to your MyPD training course.

At MyPD, we are passionate about supporting your professional growth. Our courses are carefully designed to be engaging, practical, and relevant, ensuring that you leave equipped with valuable knowledge and skills that you can immediately apply in your role.

Throughout the course, you will have the opportunity to share experiences, collaborate with others, and explore new ideas in a supportive and stimulating environment. Our trainers are dedicated to creating an interactive and enjoyable learning experience, and we encourage you to make the most of your time with us by asking questions, participating fully, and embracing new perspectives.

Whether you are here to build upon existing strengths, tackle new challenges, or simply refresh your skills, we are here to support you every step of the way.

Thank you for choosing MyPD for your professional development.

I wish you every success on your learning journey.

Kind regards,  
Reuben Carr  
Training Manager

# AI for HR Managers - CMI Level 7

---

**Duration: Full Day**

## Overview

Through practical insights, real-world case studies, and hands-on exploration, you'll learn how AI is already reshaping recruitment, performance management, workforce planning, and employee engagement. You'll cut through the hype, discover ethical and legal best practices, and leave with an actionable plan to embed AI into your HR function. More than a course—this is your gateway to becoming an AI-enabled HR strategist.

## Learning Outcomes

- Critically evaluate the role of AI in shaping future HR strategy and decision-making.
- Identify practical use cases of AI across the HR lifecycle.
- Assess implications of AI use in HR, including bias, transparency, and data privacy.
- Lead organisational change initiatives incorporating AI capabilities within HR processes.
- Develop an AI-readiness plan for their HR function with measurable outcomes.
- Understand the pathway and requirements for obtaining the CMI Level 7 Award.
- Communicate strategic value of AI to stakeholders, including C-suite leaders and board members.

Delegates will also have the opportunity to progress to the prestigious CMI Level 7 Award in Strategic Management and Leadership Practice.

## Trainer Profile: Lorraine Hunt

Lorraine Hunt is a visionary leader and founder of AI Automation Dept, based in Bournemouth, UK. With over a decade of experience in HR management and technology integration, Lorraine is dedicated to revolutionising how HR teams leverage AI and automation. She specialises in delivering impactful AI training, conducting AI readiness assessments, and developing bespoke AI HR strategies. Her approach focuses on practical solutions that enhance operational efficiency and employee experiences across diverse industries.

Prior to founding AI Automation Dept, Lorraine spearheaded learning and development initiatives at GoodOaks Homecare Franchising, where she received accolades for designing award-winning training programs and implementing innovative automation solutions. Her career spans leadership roles at Wessex Education Shared Services and BCHA, where she championed HR system enhancements and strategic workforce development. Lorraine's commitment to bridging technology with human-centric practices continues to shape the future of HR through her pioneering work.

# Your Needs, Your Training. Tailored Solutions for Every Client.

At PDG, we understand that every organisation has unique needs, that's why we offer tailored in-house training solutions to help your team develop the skills and expertise they need to thrive. Our in-house courses are designed to align with your organisation's specific goals, ensuring that your employees gain the knowledge they need in a way that is both relevant and impactful.

## Our Process

### Consultation

We begin with a comprehensive consultation to understand your audience, review existing challenges, and identify specific problem areas and desired learning outcomes.

### Development

Our team develops a tailored training solution, leveraging subject matter expertise to create a proposal that aligns with your organisational objectives.

### Proposal

We provide a detailed proposal that outlines the scope, costs, and terms, ensuring transparency and clarity for your decision-making process.

### Pre-Delivery Meeting

We conduct a pre-delivery meeting with the trainer or subject matter expert allowing for necessary adjustments to ensure the training meets your expectations.

### Delivery

The training is delivered by our qualified facilitators, focusing on engagement and interaction to enhance participant learning and retention.

### Evaluation

We carry out a thorough evaluation to assess the effectiveness of the programme and gather feedback, ensuring alignment with your training goals and identifying opportunities for future enhancements.
